

24 Hour Profits - Cheat Sheet

By Fergal Downes

Step 1 – Create Your WarriorPlus.com account

Step 2 – Link your Paypal to your warrior plus account so that you can get paid.

Step 3 – Apply for affiliate approval and leave the comment “member” so that I know you are a member of 24 Hour Profits and I should approve you.

Step 4 – Once you are approved you will have your affiliate link. You will need this link to give it to your solo ad provider so that they can send traffic to your funnel and you can get paid.

Step 5 – Search for a solo ad seller to buy from. (Make sure to buy only 100% tier 1 clicks and make sure to spend no more than 50 cents per click.)

Step 6 – Purchase 200 clicks from your solo ad seller. If it’s a winner then next time buy 400 clicks from that same person, and so on.

Step 7 – Buy 200 clicks from 1-2 solo ad sellers per week (Monday and Thursday if possible so that you can clearly see which seller sends you the highest converting clicks). Double down on your winners and cut out your losers.
